

New Life Family Update

We are entering into a period of prayer and discernment, opening ourselves to hear the will of God...

- *We are committing ourselves to a short term look at other facilities and possibilities for church location.
- *The team looking at other possibilities consists of Clyde Klein, Tony Pederson & Jeff Schweitzer.
- *We will seek an evaluation of the value and use of the land.
- *Visioning will begin in August with the Consistory and Pastor Paul.
- *Findings will be documented for the congregation.
- *We will be communicating this process to the congregation with monthly Family Updates during Sunday worship.
- *We will be committing ourselves to regular prayer, both individually and corporately during Sunday worship.
- *The final report will be presented to the Consistory in November.
- *A final decision will be made in January on where and how we will proceed as a congregation.

Please be in prayer for our New Life body as we seek God's will during this process.
